Leicester Development League - Session 3 - Sat 20 January 2018

Report

The third session of this season's LDL was held at Leicester Grammar School on Saturday 20 January.

The 38 teams were arranged into 9 divisions based on previous results, with 8 divisions of 4 teams and the final division comprised of 6.

Each team played all the other teams in its division (matches of best of 5 for all divisions other than the bottom, which played best of 3 as there were more fixtures to complete); the fixtures will be repeated in the final team session to determine the final team positions (and also the top player in each division- to be eligible a player will have to have played in more than half of the fixtures, i.e. in both of the final sessions).

The overall title (Div 1) looks to be a straight contest between KP1 and the holders, Wizards A; although George Ward A could have a say in the outcome (the individual race appears to be between Oscar Bentley and Dan Andrews).

Elsewhere, there is every prospect of a close finish in:

-Div 3: Harb A hold the slimmest of advantages over Wizards C

-Div 4: KP 4 and 5 are also separated by the narrowest of margins

-Div 5: George Ward E are battling with Harborough C

-Div 8: George Ward F and Wizards E have identical records and Harb D are close behind

Individually, there are a number of players currently unbeaten.

Roma Morjaria of KP9 in Div 6 also deserves a mention: without the support of team-mates (a number of teams had to play short due to illness/other unavailability) she nevertheless won 5 out of her 6 matches, and only lost the other 11-9 in the 5th.

The final team session will be held at LGS on Saturday 3 February.

Please also note that Individual Championships (which form part of the League's Closed Championships) are scheduled to be played on Saturday 10 March.
